

## The Program Today

Scott Page, U.S. Marshal

Scott Page is currently a Sr. Inspector serving as the Judicial Security Inspector for the U.S. Marshals Service-Southern District of Alabama. He has been with the U.S. Marshals Service (USMS) since 2001. During his tenure with the USMS, he has held several positions in diverse mission areas, including the USMS Fugitive Task Force (Wilmington, Delaware, Atlanta and Mobile) and the FBI Joint Terrorism Task Force (JTTF-Atlanta). Prior to becoming the Judicial Security Inspector for the Southern District of Alabama, he held the position of Deputy U.S. Marshal, serving in the districts of Lexington, KY, Wilmington, DE, and Atlanta, GA. He is trained in the areas of federal judicial security, fugitive apprehension, witness protection, asset forfeiture, prisoner operations, physical security and active shooter response. He proudly served in the United States Marine Corps as a military policeman for four years based at Camp Lejeune, North Carolina. He earned his undergraduate degree in Criminal Justice from the University of South Alabama. In 2012, he established the Active Shooter Response program for the federal courts in Mobile and has served as lead trainer for the federal courts annual training. He is a nationally certified Active Shooter Response (Civilian) instructor and has assisted many other federal districts, county entities and state/federal judges' conferences with piloting their active shooter programs. He has been the recipient of many awards, including those for outstanding service in fugitive investigations, judicial security and dignitary protection for the Deputy Attorney General and numerous U.S. Supreme Court Justices.

## Rotary gives \$53.5 million to help eradicate polio

EVANSTON, Ill. (Jan. 25, 2018) — With 22 confirmed cases in 2017 to date, and just one case in 2018, the world is on the brink of eradicating polio, a vaccine-preventable disease that once paralyzed hundreds of thousands of children each year.

Rotary is giving \$53.5 million in grants to support immunization and surveillance activities led by the Global Polio Eradication Initiative (GPEI).

More than half of the funds will support efforts to end polio in two of the three countries where polio remains endemic:

Afghanistan: \$12.03 million

Pakistan: \$19.31 million

Further funding will support efforts to keep 10 vulnerable countries polio-free:

Cameroon: \$1.61 million

Central African Republic: \$428,000

Chad: \$2.33 million

The Democratic Republic of Congo: \$6.48 million

Ethiopia: \$1.82 million

Iraq: \$2 million

Niger: \$1.71 million

Somalia: \$3.29 million

South Sudan: \$835,300

Syria: \$428,000

continued on next page -->

An additional \$731,338 will fund research to be conducted by the World Health Organization (WHO), and another \$518,000 will go toward technical assistance in West and Central Africa.

While significant strides have been made against the disease, polio remains a threat in hard-to-reach and underserved areas and conflict zones. Despite a historically low case count, as long as a single child has polio, all children are at risk, which underscores the need for continued funding and political commitment to eradication.

Rotary has committed to raising \$150 million over the next three years, which will be matched 2-to-1 by the Bill & Melinda Gates Foundation, yielding \$450 million for polio eradication activities, including immunization and surveillance.

Rotary started its polio eradication program PolioPlus in 1985, and in 1988 became a partner in the GPEI, along with WHO, UNICEF, and the U.S. Centers for Disease Control and Prevention. The Bill & Melinda Gates Foundation later became a partner. Since the initiative launched, the incidence of polio has plummeted by more than 99.9 percent, from about 350,000 cases in 1988 to just 22 confirmed cases in 2017 (as of 25 January). Rotary has contributed a total of more than \$1.7 billion — including matching funds from the Gates Foundation — and countless volunteer hours to protect more than 2.5 billion children in 122 countries from polio.

### About Rotary

Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.2 million members of more than 35,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping families in need in their own communities to working toward a polio-free world.
